BERGER ON SOCIALISM

Washington, July 19 .- Representative Berger, of Winconsin, entertain the House yesterday with a "keynor speech on socialism. He described the Bocialist ticket as "the international ticket of humanity."

"This country is divided into classes much as any monarchical country," declared Mr. Berger. "There, the working class—the men and women who work either with their brains or their hands—must have a party of their own to take care of the interests of their own class.

Mr. Berger attacker Governor Wood-row Wilson as "a creature of the bosses"; assailed President Taft and Colonel Roosevelt and referred to Wil-liam J. Bryan as a "dictator."

The only hope for he working men, he asserted lay in the Socialist party. Mr. Berger was subjected to a sharp crossfire of interrogations from both sides of the House. He declared he and his party stood for government ownership of the "trusts" and for a universal old-age pension plan.

universal old-age pension plan.

Representative Rainey, of Illinois Democrat, sought permission to primit in the record some views of Thomas Jefferson on socialism and certain literature issued by the American Anti-Socialist Society. Representative Austin, of Tennessee, Republican, objected and blocked every effort. "I have no objection to offer to the objections of the gentleman from Tennessee," said Mr. Rainey sharply, when he acknowledged defeat, "especially since he is in favor here of the 'water power trust."

Mr. Rainey Wednesday, "The Control of the State of the 'water power trust."
